

MISSION OF THE SCHOLARSHIP

The Hungarian Diaspora Scholarship was established by the Hungarian Government for those who live in a Hungarian diaspora outside of the European Union and wish to study at a Hungarian higher education institution to develop their personal, professional and cultural relations to Hungary.

The programme aims to support the professional advancement of the scholarship holders with high-quality Hungarian higher education while improving their Hungarian language skills and strengthening their Hungarian identity.

After graduation, scholarship holders return to their home country with competitive skills and knowledge that enables them to support their community, preserve Hungarian values and reinforce the relations between the diaspora and Hungary.
